.....TERMS AND CONDITIONS OF RELEASE.....

In this Contributor Release:

"Released Personal Data" means the above Contributor's voice and image.

"Purpose" means the use of your Released Personal Data in all media formats in all geographical locations for the purpose of live-streaming and recording our services for viewing by the general public via our YouTube channel and via our website.

"Specified Activities" means the recording and public transmission of your image and voice during a religious service.

The Contributor grants permission to the Data Controller to carry out the Specified Activities in relation to the Released Personal Data for the Purpose set out above.

The Contributor is over 18 years of age and has the authority to sign release and grant the Data Controller the rights given under this release. If the Contributor is a minor under the laws of the country where his/her appearance is recorded, a legal guardian must co-sign this release form. If, due to the age of the child, it is not reasonable for them to give their consent or to sign the form, the signature of the legal guardian is sufficient. If the child is able to consent and does not, the release form is invalid even if the legal guardian signs it.

The Data Controller will process all Released Personal Data and contact details in accordance with this release form and their Privacy and Data Policy, which can be viewed on their website at whitkirkchurch.org.uk/privacy.
